

Drunk & Drugged Driving Among Cohasset Youth

23% of Cohasset High School students reported riding in a car with someone who had used marijuana, in the past 30 days.

12% of Cohasset High School students reported riding with someone who had been drinking alcohol, in the past 30 days.

1 in 10 of Cohasset Middle School students also reported riding with someone who had been drinking alcohol, in the past 30 days.

Set a Good Example: Students Model Their Parents' Behavior

around
50%

of Cohasset High School & Middle School students who reported riding in a vehicle with someone who had been drinking alcohol, reported their parent being the driver under the influence.

Some Cohasset Teens Have Already Driven Under the Influence

4% of Cohasset High students who have driven a car also reported driving while under the influence of alcohol at least once, in the past 30 days.

Data comes from the Youth Risk Behavior Survey (YRBS) that was administered to students at Cohasset Middle School & Cohasset High School in the spring of 2019. For more info, visit: <http://safeharborcohasset.org/resources/>
