## Join The Youth Data Analytics Committee (YDAC)

As a subcommittee of the Cohasset Youth Ambassadors program, the goal of the YDAC is use data to provide a distinct youth perspective, promote good health, and identify potential problems youth face as statistical tools to aid in substance misuse prevention.

### ABOUT US

We are a group of Cohasset youth interested in collecting data to uncover patterns and provide statistical data to help promote healthy lifestyles for youth.

As a subcommittee of the Cohasset Youth Ambassadors program, the YDCA will work along with the Safe Harbor Cohasset Data Subcommittee to gather, analyze and disseminate data as statistical tools to provide a distinct youth perspective, promote good health, and identify potential problems youth face to aid in substance misuse prevention. Some examples of YDAC projects are:

- Creating Surveys
- Designing Infographics
- Promoting Data Collection Initiatives
- Giving Presentations
- Producing Fact Sheets
- Authoring Reports

### MEETING & MEMBERSHIP INFORMATION

YDAC meetings will take place bi-monthly (day of the week and time TBD based on membership availability). You do not need to be a member of Cohasset Youth Ambassadors to join the YDAC.
